

August NEWS

As we wrap up August, I'm pleased to share this month's newsletter. It's been another wonderful month at WTax – filled with moments of celebration, connection, and pride in our people. From a very special visit by the Woodrock Therapy Dogs and a Women's Day flower arranging session, to inspiring personal milestones outside the office and our Mauritius team bringing the energy with the Office Olympics 2026, it has truly been a month to remember.

Woodrock Therapy Dogs - Wellness Session

This month, the office had some very special four-legged visitors as the Woodrock Therapy Dogs came to spend the day with us! From wagging tails to plenty of cuddles, it was the perfect midweek pick-me-up. The joy these gentle dogs brought was infectious, and it was a lovely reminder of the incredible work Woodrock does in supporting animal welfare. Thank you to Woodrock for sharing your wonderful dogs with us – you brightened everyone's day!

Women's Month - Flower arranging session

To celebrate Women's Day this month, the women at WTax came together for a flower arranging session – and what a beautiful session it was! Surrounded by fresh blooms, laughter and creativity, everyone got to channel their inner florist while enjoying quality time with colleagues. Everyone made such beautiful bouquets, no two arrangements were quite the same - a lovely reflection of the individuality and strength of the incredible women at WTax. A heartfelt thank you to all the women who make WTax what it is – your energy, brilliance and heart shine through every single day.

Olympic Games - Mauritius Office edition

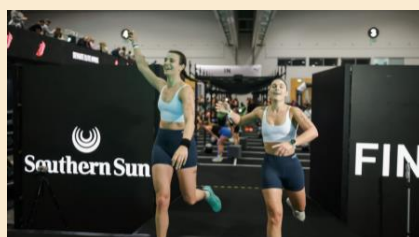

The Mauritius office brought the heat this month with the Office Olympics 2026 – and what a spectacle it was! Teams came dressed to impress, complete with matching outfits, mascots, flags, face paint, pom-poms, and war cries that echoed through the office. Game day saw teams battle it out across a series of hilarious and highly competitive events, including Flip & Drink, Scoop & Drop, Balloon Cup, Guess the Song, Tug of War, the Sack Race, and the VATIT Ultimate Relay. From ping pong ball chaos to balloon-powered cup-stacking, the office was buzzing with cheers, laughter and serious team spirit. A huge congratulations to every team who took part, and to our champions who took home the gold – Mauritius, you did us proud!

WTax's Hyrox Champion Strikes Again

A huge congratulations to **Donne Sussman**, who put in an incredible performance at Hyrox this month - not once, but twice! Donne competed in the Pro Solo Division, finishing 7th overall with a phenomenal time of 1 hour 18 minutes, before backing it up in the Women's Open Doubles with a time of 1 hour and 16 minutes. Two events, two brilliant finishes, and one seriously impressive display of strength, endurance, and determination.

Stepping Into The Ring for a Good Cause

A huge well done to **Oliver Krynauw**, who took on something truly out of his comfort zone this month by competing in the Boxsmart Foundation white-collar boxing fundraiser – a cause dedicated to raising funds for children's education in South Africa. In the lead-up to the event, Oliver committed to three months of intense training, 6am sessions in the depths of winter, and raising R5,000 to qualify to fight. Despite feeling under the weather in the final week and facing a tough opponent, Oliver still stepped into the ring in front of hundreds of people and gave it his all. A truly inspiring show of dedication, perseverance and heart – all in support of a brilliant cause.

Dylan Represents South Africa at the WINA Tri-Series 2026

A massive congratulations to **Dylan Bennett**, who represented South Africa at the WINA (World Indoor Netball Association) Tri-Series 2026, held at the Hillfox Action Sports. The tournament featured competition across nine categories in Netball 6s and 7s, with matches streamed live on YouTube - a huge moment for indoor netball on the international stage. After a week of high-level competition, Dylan and Team South Africa finished second overall – an incredible achievement! Dylan, we are so proud of you - representing your country at this level is no small feat!
